☐ This Course:

Course First!

is about

 implementing and refining the use of multiple Content Enhancement Routines (CER's) starting with the Course Organizer, to map the big ideas, plan for challenging content and guide students' learning throughout the year.

☐ Course Questions:

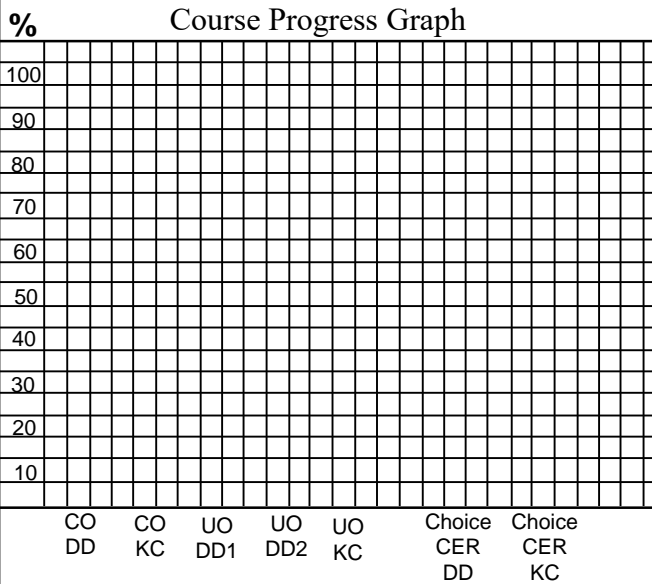

1. Why do I need to follow to the “routine” of each Content Enhancement Routine, particularly for students with disabilities?
2. Why is it beneficial to infuse “Cue-Do-Review” into your daily teaching practice?
3. How will the SMARTER instructional cycle be used throughout the implementation of various CE routines?
4. How will I reflect on my implementation of CER’s with students?
5. Why are planning routines critical for impacting proficiency rates for students with disabilities?
6. How can you measure if the chosen CER impacts desired student outcomes, particularly students with disabilities?
7. How do you decide which CER to use and when?

☐ Course Standards:

What?	How?	Value?
-------	------	--------

Content:		
Course Organizer	Summer Institute	
Unit Organizer	Summer Institute	
Cue-Do-Review	Summer Institute	
Various CERs	Summer Institute	

Process:		
Draft Devices	EDU (sim.edu20.org)	
Knowledge Checks	EDU	
Session Evaluations	EDU	
Various CERs	EDU

This Course:

Course First!

Student:

includes

○ Community Principles

Choice, Voice
Reciprocity, Reflection,
Praxis, Equality,
Courage, Collaboration

○ Learning Rituals

During this week:

Cue-Do-Review Dialogue
Course Organizer Videos
Other CERs Data review
Co-construction
Drafting/Editing
Role Play

During the year:

Implementation
Coaching
EDU Groups
LiveBinders
Use of Guidebooks
WIN!" Reflection questions

○ Performance Options

Facilitated Planning
GIST
Lesson Study
Virtual Support
Observing/Modeling

○ Critical Concepts

Content Enhancement Routine	Co-construction
Cue	Probing Questions
Linking Steps	Critical Content
Review	Enhancement Decision
Draft Device	Extension

○ Learned in these Units
