

Teacher: _____ Observer/Coach Name: _____ Date: _____

Recall Information: _____ Rating _____ /24 = _____ % _____ # 0s

Rating Guide: 2 = Present and correct; 1 = Present, but needs improvement; 0 = No or Not present

Recall Enhancement Device Sheet Checklist

Feature	Rating	Enhancements or Feedback
Select Content and Format the Information (pgs. 18-20)		
1. Content is information critical for all students to remember	2 1 0	
2. The format selected is appropriate to the content	2 1 0	
3. The information is formatted and spelled correctly (see below) Pair: Sixth Amendment – Speedy Trial Trio: Chief Black Hawk-United Indian tribes-Illinois Definition: Obfuscate = darken or confuse List: <u>Poisonous Snakes</u> Rattlesnake Water moccasin Copperhead snake Coral snake	2 1 0	
Analyze the Information & Select a Device (pgs. 21, 44-49)		
1. The type(s) of device(s) selected is appropriate to the content	2 1 0	
2. The complexity of the device is appropriate to the content (less complex devices are chosen if possible i.e. snapshot over coding)	2 1 0	
Create a Recall Device (pgs. 22, 44-49)		
1. Recall helpers such as sketches or sentences are easy for the students to use and clear & legible	2 1 0	
2. Recall helpers are within the background knowledge of the students	2 1 0	
Tie It All Together (pg. 22)		
1. All pieces of information are included in the device	2 1 0	
2. The connection between the Recall Device and the information to be remembered is clear and can be made explicit	2 1 0	
Organize Some Questions (pgs. 22-23, 29)		
1. Questions reflect what all students should know about the selected content.	2 1 0	
2. Question(s) related to student understanding of the process of constructing Recall Devices are included.	2 1 0	
3. Question(s) that review the benefits of creating Recall Devices are present.	2 1 0	
4. Question(s) that review where the same thinking processes can be used outside of class are present.	2 1 0	
Review Plan (pg. 23)		
1. Plan includes when the students will have time to practice the information on the device.	2 1 0
