

# The FRAME Routine

**Key Topic**  
**School Implementation Team**  
**(SIT)**

is about...

the group of educators on a leadership team who support the targeted implementation of the Strategic Instruction Model (SIM) in alignment with the school's improvement plan

## So What? (What's important to understand about this?)

In order for teachers to successfully implement SIM, they need "enabling contexts" which include guidance and supporting resources from as well as celebration of their efforts and barrier reduction by the SIT.
