Nature of Science

① CURRENT UNIT  
Cell Biology

③ NEXT UNIT/Experience  
Classification

⑧ UNIT SCHEDULE

	Cell
	Structure
	Function
	Prokaryotic
	Eukaryotic
	organelle

- ⑦ UNIT SELF-TEST QUESTIONS
- 1. How has our knowledge of the cell changed over time?
  - 2. How are structures of the cell related to their function?
  - 3. How are living things organized?
  - 4. Compare / Contrast eukaryotic and prokaryotic organisms.

⑥

Analyze

Identify

Compare / Contrast

Relationships
