- eye contact in USA
- treating a person as an equal
- using good manners
- active listening, not blowing someone off agreeing to disagree

being friendly

shaking hands

liking someone

Nonexamples

- bullying someone
- ignoring someone
- being rude
- yelling or screaming

↯ **PRACTICE WITH NEW EXAMPLE** agreeing with someone

⇧ **TIE DOWN A DEFINITIO**

Respect is about how we treat each other. It includes treating people as equals using consideration, politeness and empathy. You don't have to like or agree with someone to show respect. You can agree to disagree. If you argue, you should do so in a calm, considerate way without being rude or screaming.
