Passage #10 Comprehension Questions

How to Treat Pets

- 1) Besides “being mean,” what is another reason that pets may bite or scratch?

- 2) What are some things you could do that would make a pet want to play with you?

- 3) Is it easy to teach an old and stubborn dog how to behave? Why or why not?

- 4) What could likely happen if you interrupt an animal during its feeding?

- 5) What rule should you think about before you get a pet and while you have the pet?
