	📑 ZIP Extractor 📄 Zip, UnZip 🗾 Anyfile Note	pad

- 3. Ignore the "There was a problem with the preview" warning!
- 4. Click on the "Download" icon in the top right-hand corner (circled in red in the picture).
- 5. Open your Canvas.

6. Click on "Start a New Course" on the right side of your Canvas Dashboard screen.

- 7. On the right side of the screen in your new course, click the option "Import Course Content".
- 8. Content Type = Canvas Course Export Package
- 9. Source = Browse on your computer and choose the canvas file you downloaded from KUCRL
- 10. Content = All Content.
- 11. Click "Import". This may take a few minutes because it is a big file.
- 12. The course is all yours now! You may tweak it to fit your professional development preferences.
