

Quality Assignment on Modeling a Strategy

Purpose: The purpose of this assignment is to give you an opportunity to apply what you have learned throughout the past few days about how to model a strategy for your preservice students.

Today's Date: _____

Due: _____

- Directions:**
1. Review and synthesize what you have learned so far about modeling (the “heart” of strategies instruction).
 2. Prepare a model demonstration according to the critical teaching behaviors associated with this important phase of instruction.
 3. Be prepared to share your model demonstration tomorrow in a small group.

Note: Allow 20 minutes per person to share the model presentation and 5 minutes per person to give feedback.

Options: Choice to work alone or with a partner to prepare your model demonstration.

Choice of Strategy: Choose from any one of the strategies you have learned about so far

Choice of Resources: Strategy Manuals, Professional Development Packets, Colleagues, Other Resources of your Choice

Grading Criteria: See Handout: SIM Modeling Observation Form

Supplies/ Resources: Articles, Notebooks, Colleagues, Your Creativity

Goal for this assignment: _____

Note: This assignment was planned based on criteria for planning effective assignments for diverse learners as presented in *The Quality Assignment Routine*. *The Quality Assignment Routine* is part of the Content Enhancement Series.
