FROM THE SUPERINTENDENT

Dear Parents and Community Friends:

The School Profile Fall 2009 issued by the Hanover County School Board for each school in the county complements the Virginia School Report Card prepared by the Virginia Department of Education. The Profile offers a comprehensive picture of the school by providing highlights of our students, our school, our teachers, and our parents. Unless otherwise noted, all data reported are from the 2008-2009 school year. We want to present a broader, more detailed view of your school—data about achievement tests, activities, technology, community involvement, and other attributes. You are welcome to visit or call any of our schools or the State Board of Education to obtain additional information, discuss a suggestion, or share a concern.

Thank you for your strong support of our school system.

Sincerely,

Stewart D. Roberson
Superintendent of Schools
