Laminate bingo sheets or put in sheet protectors. Cut up "bingo caller's cards" below. Give each student a bingo sheet or allow students to work in pairs. Pull one word at a time. Students search for the drawn word on their bingo cards. They must use their word part lists to DISSECT the word (using a dry erase marker) on their bingo sheet. When a student calls "bingo," all words on the sheet must be DISSECTed correctly. If not, the student keeps playing until he/she calls "bingo" again and has all words correctly DISSECTed.

## Safety First!

Before you print all your bingo cards, please print a test page to check they come out the right size and color. Your bingo cards start on Page 3 of this PDF.

If your bingo cards have words then please check the spelling carefully.

If you need to make any changes go to [mfbc.us/e/rkznb8](https://mfbc.us/e/rkznb8)

## Play

Once you've checked they are printing correctly, print off your bingo cards and start playing! On the next page you will find the "Bingo Caller's Card" - this is used to call the bingo and keep track of which words have been called. Your bingo cards start on Page 3.

# Bingo Caller's Card

Use your Bingo Caller's Card to call the bingo and keep track of which words you have already called.

Print two copies of the caller's card. Cut one copy up, fold the squares in half, and put them in a hat. To call the bingo, pull a square out of the hat, unfold it and read it out.

When you have called a word/number, tick it off on the second copy of the caller's card. You can use the second copy of the caller's card to check if a player has a winning card during a game.
